Gowan Hill Classic 2010

Sheep Wash 8 Km Fun Ride Times

Unfortunately we have been unable to publish times for the riders in the 8 km Sheep Wash Fun Ride - Male.

The leading riders returned to the finish line in the impossible time of as quick as 15 minutes. Last years winning time for this event was 30 minutes 20 seconds.

The organising committee has reviewed our race timing and recording procedures and do not believe we have a problem in respect to these areas of our operation. Therefore we can only presume that two things may have occurred.

1. Some riders may have mistakenly turned to complete the return journey at a point earlier than the designated marshalled location.

Or

2. Some entrants may have ignored pre race instructions and commenced their race at the same time as the main classic and Recreational races.

The accident that occurred within the first kilometre of the Classic / Recreational start delayed the start of the Sheep Wash Fun ride by 16 minutes. This delayed start has highlighted the problem of competitors not waiting for their designated event to begin.

All riders have therefore been recorded as "Completed Course"

If you started at the correct time, turned at the correct point and require your race time, please contact the Secretary, Bill Mather at 03 225 7689 or email info@gowanhillclassic.co.nz
